VOLUNTEER APPRECIATION WEEK

We will be celebrating Volunteer Week April 21 through April 25. This is our opportunity for the staff at PBE to say **THANK YOU** to the many dedicated volunteers who spend countless hours working in our school. Our volunteers help make this school a richly varied, exciting and loving place to learn. They also lighten the workload for our staff and support us in our quest to provide the best education for our students.

Volunteers please come to school during the week of April 21st. Let us express our appreciation for your hard work and dedication.

NURSE'S NOTES

Greetings! Wow...time is just flying by! Spring is coming...so are puddles! Please send your little ones with rubber boots and perhaps extra socks; as children and puddles seem to make for a perfect recess activity. We still have the usual colds, sore throats, and coughs lingering around; spring allergies are beginning too. I will continue to encourage the students to stay hydrated with water, and take advantage of the fresh air during recess. Visit or call if you need anything from me.
