**PAUL BANKS FOOD DRIVE**

**Paul Banks is holding a canned and non-perishable food drive to help needy families in our town.** We will be donating the food to a local group called "Share the Spirit." They will make up holiday baskets with the food we collect.

We will collect canned food of any kind and non-perishable food such as flour, sugar, dried beans, rice, noodles etc. There is a large container in the main hall at school to put your donated items in.

**Remember if we each give a little, it will help others a lot!**

**Greetings & Happy Holidays to All!**

It is so hard to believe that the holidays and the start of a new year are right around the corner! Let's all take some time to recall some fond memories as we set some new goals! Perhaps some of our goals will include getting/staying healthy...improving our diets, and increasing our physical activities. As our children watch us...they mimic our behaviors...so let's include them and give them something awesome to mimic! Oh...one more thing; with all the holiday goodies being munched on...please remind the kiddos to brush their teeth and floss too!
