**Nurse's Corner**

Greetings! My name is Kim, and I am your new school nurse. Please stop in and get acquainted with me. I appreciate when parents update me on medical concerns/medications that involve your children; this information better allows me to help in the wellness of your precious little ones!

Hearing and Vision screenings will be this month, I will send home results.

If anyone has sweat pants that are taking up space and not being used...please think about donating to our "oops closet."

Thank you for sharing your little ones with us! Nurse Kim

**LUNCH ROOM HELP**

The lunchroom is in need of more volunteers to help serve lunch during both lunch periods. First lunch period is from 11:00-11:30 and the second lunch period is 11:30-12:00. Come and help serve and then go sit and have lunch with your child. If you can help, please call 226-1801 and ask for Frankie or you can stop by and see Frankie in the kitchen.

Reminder that hot lunch for students is \$2.85. The PTA has set up an account with Foodservice for students who have forgotten their lunch money. This account pays for the child's lunch that day and a note goes home with the child telling parents they owe money to pay back this account. You can send lunch money in to put on your child's lunch account and the amount owed to the PTA account will be deducted and the rest put on your child's lunch account. It is very important to pay this account back as quick as possible as it is there for all students to use if the need arises.

**Picture Re-Takes**

Lifetouch will be at Paul Banks on Tuesday, October 29 for picture re-takes. If your child needs to have their picture re-taken please send back the original package to your classroom teacher. If your child will have their picture taken for the first time please let your classroom teacher know so that a form can be sent home with your child. Any questions please call 226-1801.
