Reminder that hot lunch for students is \$2.85. The PTA has set up an account with Foodservice for students who have forgotten their lunch money. This account pays for the child's lunch that day and a note goes home with the child telling parents they owe money to pay back this account. You can send lunch money in to put on your child's lunch account and the amount owed to the PTA account will be deducted and the rest put on your child's lunch account. It is very important to pay this account back as quick as possible as it is there for all students to use if the need arises.
