

Paul Banks PTA March 2019 Newsletter

**THANK YOU to everyone who volunteered for
or participated in Winter Carnival! It was a HUGE success!!**

Upcoming events and programs:

Community Budget Forum – Tuesday 5 March 6pm (postponed from an earlier date) in the Paul Banks gym. Gather to discuss how the proposed state budget will impact our local schools. We'll review where we are, share stories and concerns, and create an action plan to move forward. (As a bonus, stay for the general PTA meeting afterward)

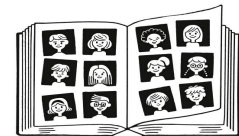

Math and Science Night – Friday 22 March. This will be a fun evening of STEM-related activities for your kiddos (and the kiddo in you).

The final quarter of our **After School Program** will be beginning after spring break. Keep your eyes out for the applications.

Greenhouse planting will begin in late March. We will be looking for volunteers to help out. This is always lots of fun, and no experience is necessary.

Yearbooks are coming this spring, look out for order information in the coming months.

There are only 3 meeting left!!! Come join us before the year ends!

Next meetings: Tuesday March 5th, 6:30-8pm

Tuesday April 2nd, 6:30-8pm

Tuesday May 7th, 6:30-8pm

All located in the teacher's lounge at Paul Banks

And as always, feel free to email with any questions: paulbankspta@gmail.com
