

Greetings & Happy Spring!

Here are a few reminders, and some important information coming your way; as this is the last News Letter of this school year.

- 1) Please send a change of clothes in with your child. Mud, puddles, and wet grass make for a fun recess; but cold, wet, clothes and socks are uncomfortable for classroom/learning attire.
- 2) If your child needs any immunizations over the summer, a notice will be sent home during the month of May; so please check your child's folder.
- 3) "Religious Exemption" information can be found on the KPBSD website; forms are also available at the main office or the nurse's office. Please remember; these forms are not valid if notarized prior to July 1st, and must be renewed yearly.

*****LICE DETECTION/ELIMINATION...STARTS AT HOME***** Please check your child's head routinely, and do a thorough check if you notice your child scratching incessantly. We can all work together, but it is much easier if you catch it right away; it is easier to treat/eliminate the initial phase verses an infestation. Please contact me for my assistance...226-1826.

Have an awesome rest of the year!

Nurse Kim
